

Petandim® for Dogs

Help your dog live their healthiest, happiest life.*

Just like humans, as dogs age, their cells can be damaged by oxidative stress, leading to signs of aging that make it harder for them to stay active, alert, and energetic. Petandim delivers daily cellular support, reducing oxidative stress and supporting energy, mobility, and vitality in a delicious chewable your dog will love.*

Give them more wellness with every wag

Petandim is a daily antioxidant, omega-3, and collagen chew that's certified by NASC (National Animal Supplement Council) and is pet-parent approved.*

PROTECT YOUR PLAYFUL PUP

Daily use helps your dog stay alert, energetic, and ready for every adventure.*

BRIGHT-EYED, SHINY COAT

Supports cognitive function, eyesight, and hearing, plus a shiny coat that will turn heads at the dog park.*

COMFORT WITH EVERY STEP

Helps your dog keep moving, supporting joint health, comfort, and the mid-day "zoomies."*

A FLAVOR THEY'LL BEG FOR

Smoked chicken and bacon flavors turn wellness into a tasty treat they look forward to every day.*

How to Use

Directions for daily use in dogs 12 weeks and older.
Dosage is based on weight:

TOY (4-10 lbs): **1/2 TABLET**

SMALL (11-29 lbs): **1 TABLET**

MEDIUM (30-69 lbs): **2 TABLETS**

LARGE (70-109 lbs): **3 TABLETS**

CAUTIONS: If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals intended for breeding has not been proven. May be a GI irritant. Do not use in high doses with anticoagulant drugs or patients with stomach ulcers.

WARNINGS: Not for human consumption. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.

Ingredients

PROPRIETARY BLEND

Protandim Nrf2-inspired blend of turmeric, green tea, bacopa, ashwagandha, and milk thistle to help reduce cellular stress.*

OMEGA-3 FATTY ACIDS

Long-chain omega-3s to support flexible, resilient cell membranes—important for joints, the brain, the eyes, and overall vitality.*

AVIAN STERNUM CARTILAGE POWDER (TYPE II COLLAGEN PROTEIN)

Structural protein from chicken that helps maintain cartilage.*

Petandim® 60-day clinical study results

A double-blind, placebo-controlled study measured changes in antioxidant activity and behavior in dogs taking Petandim for 60 days. Findings and observations from owners and veterinarians suggest Petandim helps dogs feel more energetic, engaged, and vibrant as they age.*

↑ **47%** antioxidant (catalase) activity as compared to placebo

↑ **IMPROVED** energy, playfulness, and alertness*

↑ **IMPROVED** mobility and cognitive engagement*

Frequently Asked Questions

Will my dog enjoy the taste of Petandim?

Yes. Petandim is flavored with smoked bacon and chicken to ensure dogs look forward to their daily chew—making wellness simple and stress-free.*

Is Petandim safe for all dog breeds?

Petandim is formulated for all dog breeds over 12 weeks old and above 4 pounds. Always consult your veterinarian if your dog has any underlying conditions or takes medications.*

Is Petandim safe for other animals?

Petandim was specifically formulated for dogs and has not been tested on other animals.

Will Petandim interfere with medications my dog is taking?

Although there are no known interactions, always consult your dog's veterinarian and tell him or her about all the medications and supplements that you give your dog.

Is Petandim certified organic?

Petandim is not certified organic.

Is Petandim natural?

The active ingredients in Petandim are from natural sources.

Does Petandim contain yeast?

Petandim does not contain yeast.

Does Petandim contain sugar?

Petandim does not contain sugar.

Is Petandim grain free?

Petandim is grain free.

What is the NASC?

The National Animal Supplement Council (NASC) is a trade association dedicated to protecting and enhancing the health of companion animals. Members (Purina, Hartz Mountain, and others) are committed to the highest standards of quality for animal supplements and follow the guidelines that FDA has established for human supplements.

What is the NASC seal on the Petandim label?

The NASC (National Animal Supplement Council) Quality Seal assures consumers that manufacturers displaying the seal on their products have met rigorous quality control and labeling standards, and have passed a comprehensive quality system audit. The Seal program is part of the non-profit NASC's effort to promote consumer access to superior health and nutritional supplements for companion animals—primarily dogs, cats and horses. The NASC Quality Seal underscores LifeVantage's commitment to offering innovative, science-based products of the highest quality for people and the animals we love.
