Protandim® NAD Synergizer®

Get the Best from Your Body, Every Day.*

It's frustrating when your body doesn't feel up to doing the things you love. NAD Synergizer helps your body make and maintain NAD+ to support cellular energy production and the natural cleanup of waste that can interfere with cell function. Those benefits reach into your everyday life, with support for mental clarity, a positive mood, and the motivation to do the things you enjoy.*

Reasons to Love

SUPPORT THE CELLS BEHIND EVERYTHING YOU DO

Supports natural cellular cleanup to help maintain healthy, efficient cell function and daily vitality, in just 2 capsules a day.*

FIND YOUR MOTIVATION

Support focus and mental clarity, plus energy and a positive mood to help you feel motivated to get moving.*

GET THE BEST FROM YOUR BODY

Increased NAD+ supports cellular energy to help your body meet the demands of everyday life.*

KEEP MOVEMENT IN YOUR DAY

Support heart health and post-activity muscle recovery to help you enjoy a vibrant, active life.*

Benefits

- Supports your body's ability to naturally make NAD+*
- Doubles activity of longevity proteins (sirtuins) that encourage cellular cleanup (autophagy)*,‡‡‡
- Helps keeps cells performing at their best*
- Supports focus, mental clarity, mood, and motivation*
- Supports the body's healthy inflammatory response already within a normal, healthy range*
- Maintains vascular function and cholesterol levels already within a normal, healthy range*

Cellular waste can build up and slow cells down.

NAD+ supports proteins called sirtuins, which help regulate the body's natural cellular cleanup processes. NAD Synergizer supports the cleanup cycle and helps balance NAD+ levels.* In a cell culture study, key ingredients in NAD Synergizer doubled sirtuin activity in muscle cells in as little as 24 hours.*,‡‡‡

100% sirtuin activity in 24 hours‡‡‡*

Ingredients

WASABI (*Wasabia japonica*) RHIZOME POWDER

A cruciferous plant that supports cell signaling and metabolic processes.* to generate energy and support mental clarity.*

OLIVE (*Olea europaea*) LEAF EXTRACT

Provides hydroxytyrosol to support the body's natural cellular cleanup process, vascular function, and cholesterol levels already within a normal, healthy range.*

CUPROUS NIACIN (COPPER + VITAMIN B3)

A copper and vitamin B3 complex that supports NAD+ production and cellular energy metabolism.*

THEACRINE

A natural compound that supports alertness, focus, and motivation to help you feel energized.*

Directions

Adults, take 2 capsules daily.
Do not take within 6 hours of bedtime.

WARNING: Not recommended for individuals under the age of 18 years or if pregnant or nursing. Consult your physician before use if you are taking medication or have a medical condition. **Use only as directed**

‡‡‡ Results based on a cell culture study on key ingredients in NAD Synergizer.

Protandim® NAD Synergizer®

Frequently Asked Questions

What does NAD Synergizer do?

NAD Synergizer supports focus, mental clarity, motivation, and daily vitality. It helps your body make and maintain NAD+ and supports natural cellular cleanup to help keep your cells functioning at their best.*

Does NAD Synergizer contain NMN or NR?

No. NAD Synergizer does not contain NMN or NR. Its formula helps your body naturally make and recycle its own NAD+.*

How long does it take to experience results with NAD Synergizer?

Individual experiences vary. Daily use supports focus, motivation, and healthy cellular function over time. The 24-hour study finding describes sirtuin activity in cultured cells, not how quickly someone will notice a difference.*

Can I take NAD Synergizer with other Protandim products?

Yes. NAD Synergizer complements Protandim® Nrf2 and NRF1 Synergizers®. Together, they support cellular defense, energy, and cleanup.*

Are there any side effects with NAD Synergizer?

Some people may be sensitive to ingredients in the formula. Do not take within 6 hours of bedtime and use only as directed. If you experience unwanted effects or have questions about how the product affects you, consult your healthcare provider.
