

frequently asked questions

What is TrueScience Deodorant?

An all-natural, Nrf2 deodorant formulated to keep you feeling fresh, dry, and confident.

What makes our Deodorant unique?

It fights odor at the source. It's made with a unique blend of naturally derived ingredients that use the latest skin science to help you stay fresh all day. It uses enzymes, fruit acids, and more to stop odor-causing bacteria. And ingredients like arrowroot powder and tapioca starch help absorb moisture. Plus, this gentle formula nourishes and protects your skin thanks to our CBD-enhanced Nrf2 ingredients.

Is there fragrance in the Deodorant?

Yes, it contains a unique yuzu blossom scent that's suitable for everyone. Yuzu is a citrus fruit that looks like a small grapefruit and originates from East Asia. This citrus fragrance blend is specially formulated from clean, natural, and synthetic ingredients that have no documented negative health impacts. For a scent that keeps you feeling fresh all day.

Is this a clean product?

Yes! TrueScience Deodorant is specially formulated with clean, plant-powered ingredients, free from any added parabens, silicones, phthalates, artificial colors, and sulfates SLS and SLES (sodium lauryl sulfate and sodium lauryl ether sulfate).

Is there any aluminum in TrueScience Deodorant?

No, this is an aluminum-free formula.

Is there any baking soda in TrueScience Deodorant?

No, this is a baking-soda-free formula.

Do I need to go through any special prep if I've never used an all-natural deodorant before?

Depends. If you've been using a deodorant or anti-perspirant with aluminum, you may experience a change where your armpits smell different or sweat more. At first, you can use TrueScience Deodorant more often—maybe a few times a day as you need it—until your body adjusts to it.

Is the Deodorant a stick, roll-on or spray?

TrueScience Deodorant is a liquid in a convenient roll-on bottle.

Can I use this product if I have a skin condition or sensitive skin?

If you have a skin condition, please consult your healthcare provider if you have concerns about using new skin-care products. If you have sensitive skin, we recommend testing a small amount on your wrist or inner forearm before regular use.

Can I use this product every day?

Yes! Every day is better with Deodorant! In fact, you can use it more than once a day.

Do you test the product on animals?

No, LifeVantage does not test on animals.

How do I use this product?

Apply it to clean, dry skin.

Where is this product manufactured?

TrueScience manufacturing facilities are in the US.

Can I recycle the packaging?

We highly encourage everyone to recycle. The Deodorant bottle is recyclable. If you have any questions about recycling in your area, please consult with your local recycling authority.

What is the shelf life of this product?

One year from the manufacturing date. Each product has an expiration date on the packaging.

Does the product lose its potency and effectiveness after the expiration date?

We can't guarantee the quality of products after the expiration date, so we recommend using them before they expire.

Where can I find a list of ingredients?

Each product has a list of the ingredients on the packaging. You can also find them online at LifeVantage.com.

How should I store this product?

We recommend storing this product at room temperature and avoiding direct sunlight or extreme temperatures for prolonged periods of time.

Does this product contain CBD?

Yes, TrueScience Deodorant contains 30 mg of broad-spectrum CBD.

Is there any THC in the CBD?

The broad-spectrum CBD oil that we use goes through a proprietary refining process and is then sent to a third-party lab for testing to ensure 0.0% THC in all of our products. You can find the third-party testing certification online at LifeVantage.com.

Where does LifeVantage source the CBD?

All our CBD oil is sourced in the US. You can see where each batch is sourced! Just scan the QR code on the product page on our website, LifeVantage.com.

Will I feel 'high' if I use this product?

No. THC is the compound found in marijuana or hemp that makes you feel "high." We remove it through a proprietary process that still maintains the quality and potency of the CBD oil.

Is this product legal?

Pursuant to the 2018 Farm Bill, cannabis plants and derivatives that contain no more than 0.3% THC are not considered a controlled substance under US federal law. LifeVantage has ensured that any of our topical products that contain CBD have 0.0% THC.

Is this product safe for children?

We recommend our products to people 18 and older.

Can I use this product if I am in the military?

As of now, branches of the US military have a ban on all CBD products, including topicals. Even though LifeVantage ensures 0.0% THC in its topical products, if you are in any branch of the US military, we recommend that you do not use any of our products that contain CBD.
