

frequently asked questions

What is TrueScience Beauty Serum?

Renew radiance, restore balance, and erase the visible signs of aging with this powerhouse CBD-enhanced Nrf2 serum. Supercharged with active ingredients, this formula helps protect and rejuvenate your skin.

What makes our Beauty Serum unique?

It's nutrient-rich, hydrating, and packed with CBD-enhanced Nrf2 ingredients, which help fight against the visible effects of free radicals, blue light from your digital devices, harsh weather, and pollutants—day and night! You also get postbiotics, peptides, soothing seed oils, and plant stem cells to help your skin look healthy and beautiful.

Why do I need to use a serum?

Serum formulas can pack in a higher concentration of nutrient-rich actives into a small amount of product. They're designed to help those actives penetrate deeper into your skin, and they're highly effective at addressing visible damage from environmental aggressors.

Is there fragrance in this product?

Yes! It has a unique variation of our signature TrueScience yuzu blossom scent. Yuzu looks like a small grapefruit. It comes from East Asia. This fragrance blend is specially formulated from clean, natural, and synthetic ingredients that have no documented negative health impacts. It's perfect for our beauty serum.

Is this a clean product?

Yes! TrueScience Beauty Serum is specially formulated with clean, plant-powered ingredients, free from any added parabens, silicones, phthalates, artificial colors, and sulfates SLS and SLES (sodium lauryl sulfate and sodium lauryl ether sulfate).

Can I use this product if I have a skin condition or sensitive skin?

If you have a skin condition, please consult your healthcare provider if you have concerns about using new skin-care products. If you have sensitive skin, we recommend testing a small amount on your wrist or inner forearm before regular use.

Can I use this product every day?

Yes, TrueScience Beauty Serum is designed for use in both your morning and evening skin-care routines.

Where does this product fit into my TrueScience skin-care routine?

We recommend using TrueScience products in this order:

1. Facial Cleanser
2. Perfecting Lotion
3. Beauty Serum
4. Eye Serum
5. Anti-Aging Cream

Do you test the product on animals?

No, LifeVantage does not test on animals.

How do I use this product?

Use for all skin types, including sensitive, irritated, or flaky skin. Apply 2 to 3 drops to clean, dry face, neck, and décolletage. Use AM and PM.

Where is this product manufactured?

TrueScience manufacturing facilities are in the US.

Can I recycle the packaging?

We highly encourage everyone to recycle. The Beauty Serum jar is recyclable. If you have any questions about recycling in your area, please consult with your local recycling authority.

What is the shelf life of this product?

One year from the manufacturing date. Each product has an expiration date on the packaging.

Does the product lose its potency and effectiveness after the expiration date?

We can't guarantee the quality of products after the expiration date, so we recommend using them before they expire.

Does this product have an SPF rating?

No. TrueScience Body Rub does not contain ingredients that have an SPF rating.

Where can I find a list of ingredients?

Each product has a list of the ingredients on the packaging. You can also find them online at LifeVantage.com.

How should I store the product?

We recommend storing this product at room temperature and avoiding direct sunlight or extreme temperatures for prolonged periods of time.

Does this product contain CBD?

TrueScience Beauty Serum contains 30 mg of broad-spectrum CBD.

Is there any THC in the CBD?

The broad-spectrum CBD oil that we use goes through a proprietary refining process and is then sent to a third-party lab for testing to ensure 0.0% THC in all of our products. You can find the third-party testing certification online at LifeVantage.com.

Where does LifeVantage source the CBD?

All our CBD oil is sourced in the US. You can see where each batch is sourced! Just scan the QR code on the product page on our website, LifeVantage.com.

Will I feel 'high' if I use this product?

No. THC is the compound found in marijuana or hemp that makes you feel "high." We remove it through a proprietary process that still maintains the quality and potency of the CBD oil.

Is this product legal?

Pursuant to the 2018 Farm Bill, cannabis plants and derivatives that contain no more than 0.3% THC are not considered a controlled substance under US federal law. LifeVantage has ensured that any of our topical products that contain CBD have 0.0% THC.

Is this product safe for children?

We recommend our products to people 18 and older.

Can I use this product if I am in the military?

As of now, branches of the US military have a ban on all CBD products, including topicals. Even though LifeVantage ensures 0.0% THC in its topical products, if you are in any branch of the US military, we recommend that you do not use any of our products that contain CBD.
