GENERATIONAL MATCHING BONUS (UP TO 30%) ⁽³⁾⁽⁶⁾

RANK ACHIEVEMENT BONUS

\$100,000 USD through \$500,000 USD paid in local currency when achieving Master Pro ranks.

4% ELITE POOL 4% of total commissionable sales PV paid to qualified Pro 7 through Master Distributors.

*PV = Product Volume. Commissions are calculated by taking the PV amount multiplied by the LifeVantage current local currency conversion rate (.75 in the United Kingdom as of November 1, 2021) and then multiplied by the applicable commission or bonus percentage. For theoretical example, 1,000 PV in sales multiplied by .75 (local currency conversion rate) multiplied by 25% bonus = £187.50

(1) All bonuses are fully detailed within the LifeVantage Sales Compensation Plan found at the following link: www.lifevantage.com/legal/uk-en/sales-and-compensation-plan.

(2) Receive up to 25% on product sold to new personally enrolled Customers and Distributors in Smart Start Bonus within the new Distributor(s) / Customer(s) first calendar month, up to 1,000 PV. Customer purchase limits may apply.

(3) At least 40 PV must come from personal product purchases with the remaining PV coming from purchases made by personally enrolled Customers during the qualification period, which is the 49 calendar days (measured using current Utah, USA time zone) immediately prior to the calculation date (USA Business day immediately following the transaction date).

(4) PAID RANK is defined as the rank achieved in the most recently and completely closed monthly UniLevel Commissions period.

(5) The PV requirement for each rank that must come from the Combined Leg.

(6) Fully qualified Pro 3 and higher with at least 200 PV earn up to 10% of the UniLevel Commissions paid to their first 5 generations of personally enrolled Distributors. Ranks Pro 3 through Pro 6 must also have at least 100 PV in new sales volume each month. If PV is 100-199, the qualified Pro 3 and higher will earn only half of the Generational Matching Bonus.
