

PROTANDIM[®]

NRF1 SYNERGIZER™

A SCIENTIFIC BREAKTHROUGH FOR THE AGES

With age comes wisdom and maturity. That's the upside. But you also feel old, and overall lack of energy. Getting old isn't easy. We get it. We also understand why. Thanks to a breakthrough in nutrigenomics, we're able to support healthy aging at the cellular level. It's called Protandim NRF1 Synergizer, and it's revolutionizing health and wellness.

Product Info

THE MIGHTY MITOCHONDRIA

Unfortunately, we still haven't discovered the fountain of youth. But we finally understand why we age. Every day, your cells are damaged by free radicals from natural processes like breathing and from pollution in your environment and diet.

This leads to oxidative stress and a break-down of your health at a cellular level—one of the main contributing factors to the natural aging process. One of the most crucial keys to supporting the healthy aging process and restoring a youthful feeling to your body is living in your cells. They're called mitochondria.

Mitochondria produce up to 95% of the energy your body uses. But those muscular, microscopic powerhouses break down as you age. It's a natural part of oxidative stress. But fewer mitochondria don't just mean less energy. Mitochondria also produce ATP (Adenosine Triphosphate)—the source of cellular energy that pumps our heart, supports muscle growth and maintains healthy brain function.

PROTANDIM®

Benefits

A SOLUTION TO HEALTHY AGING UNLIKE ANY OTHER

The idea is simple: produce new, more powerful mitochondria, and you'll feel younger and more energetic from the inside out. New breakthroughs in nutrigenomics indicate that optimizing mitochondria function helps restore that youthful feeling at the cellular level.

LIFEVANTAGE NRF1 SYNERGIZER WORKS TO:

- Feel more active
- Feel more alert
- Feel younger
- Feel rejuvenated

Directions

Take 2 capsules a day
with a meal.

Nutritional Values/ Nährwerte/Valor Nutricional

By Recommended Daily Dose/ Durchschnittlicher Gehalt Pro Empfohlener Tagesdosis/ Dosis Diaria	
L-Carnitine/ L.Carnitin/ L-Carnitina	500 mg
Quercetin/ Quercetina	12 mg
Co-enzyme Q10/ Coenzima Q10	60 mg
Grape Seed Extracts/ Traubenkern und Fruchtextrikte/ Extracto de la semilla y fruta de Uva	69 mg

INGREDIENTS: Proprietary Blend of L. Carnitine, Capsule Casing (Hydroxypropylmethyl cellulose), Onion bulb Extract *Allium cepa* L. (15% Quercetin), Grape Seed and Fruit Extracts *Vitis vinifera* L., Ubiquinol (Co-enzyme Q10), Stabiliser (Magnesium Stearate).
