NOURISHING CONDITIONER

THE SOFTER SIDE OF BIOHACKING.

Softer, smoother more comb-able. TrueScience Nourishing Conditioner is designed to deliver the daily nourishment and protection your hair needs to look its best. No frizz. No harsh chemicals. All good.

Product Info

For softer, smoother hair that doesn't weigh you down, you need a conditioner that makes it happen. That's why we created TrueScience Nourishing Conditioner. It's a nourishing, powerful new formula that includes Lanatellys® to protect your hair against drying environmental elements, and Alkane to reduce

frizz. Together with Nrf2 ingredients, TrueScience Nourishing Conditioner gives your hair the support it needs to take on the daily hair care and environmental grind that take a toll on your hair. It returns the shine to your hair and gives it more body, but most importantly – it's a clean formula that helps your hair stay looking healthy.

Benefits

NOURISHES

and conditions hair

PROTECTS

against environmental elements
