

PROTANDIM®

NAD SYNERGIZER®

✦ FAQs ✦

WHAT DOES NAD MEAN?

NAD is the abbreviation for Nicotinamide Adenine Dinucleotide.

WHAT ARE THE ACTIVE INGREDIENTS FOUND IN PROTANDIM® NAD SYNERGIZER™?

Protandim® NAD Synergizer™ combines Radish Root Powder, Olive Leaf Extract, Cuprous Niacin, and Cocoa Extract in a unique proprietary blend. Please see product label for more information.

WHEN DO I TAKE PROTANDIM® NAD SYNERGIZER™?

Adults, take two capsules daily.
Do not take within six hours of bedtime.

CAN I TAKE THIS AT THE SAME TIME AS I TAKE PROTANDIM® NRF2?

Yes.

CAN I TAKE THIS AT THE SAME TIME AS I TAKE PROTANDIM® NRF1?

Yes.

CAN I TAKE THIS AT THE SAME TIME AS I TAKE MY VITALITY STACK?

Yes.

CAN I TAKE PROTANDIM® NAD SYNERGIZER™ WITH AXIO OR AXIO LO?

Yes.

IS THIS PRODUCT SAFE TO TAKE WITH PRESCRIPTION MEDICATION?

Please consult your physician if you are taking any medication before use.

CAN I USE THIS PRODUCT IF I AM PREGNANT OR NURSING?

No, we do not recommend this product if you are pregnant or nursing.

CAN CHILDREN TAKE THIS PRODUCT?

No, we do not recommend this product for children. Our products are made for individuals 18 years of age and older. This product should not be taken by children.

IS THIS PRODUCT TESTED?

Yes, we perform exhaustive testing to verify that all LifeVantage products meet or exceed quality standards. The Quality Control measures implemented by LifeVantage exceed industry standards. We rigorously test every product lot for identity, potency, microbial contamination, pesticides and heavy metals, and we physically audit manufacturing facilities and raw material suppliers.

HOW IS PROTANDIM® NAD SYNERGIZER™ MANUFACTURED?

The raw ingredients are tested, carefully weighed out, blended, and packed into capsules following strict Good Manufacturing Practices (GMP) guidelines. Every lot of finished Protandim® NAD Synergizer™ is tested for compliance to approved specifications in addition to receiving a final quality inspection following listed medicine regulations. Every lot must meet or exceed established finished product specifications before it can be released by LifeVantage Quality Assurance.

DOES THE MANUFACTURER OF PROTANDIM® NAD SYNERGIZER™ PROCESS ANY ALLERGENS SUCH AS DAIRY, GLUTEN, ETC?

All Protandim® NAD Synergizer™ manufacturers are required to maintain a strict allergen program to protect against any potential cross contamination of allergens. These facilities are frequently audited to ensure that the processes and protocols followed and to ensure the safety of the product..

ARE THERE DYES OR FOOD COLORINGS IN PROTANDIM® NAD SYNERGIZER™?

No, there are no dyes or food colourings in Protandim NAD Synergizer.

DOES PROTANDIM® NAD SYNERGIZER™ CONTAIN ANY ANIMAL BY-PRODUCTS AND IS PROTANDIM® NAD SYNERGIZER™ FREE FROM COMMON ALLERGENS?

Protandim NAD Synergizer is 100% vegetarian, free from gluten, wheat, dairy, gelatin, and yeast.

ARE LIFEVANTAGE SUPPLEMENTS REGULATED?

Yes, the TGA regulates all listed medicines for quality and safety. This includes ensuring the manufacturing facility meets quality standards and only pre-approved health claims are made concerning the product. Random product testing is done once products are on the market to ensure efficacy and accurate product labels are provided. The AUST L number on the product label means it was approved for distribution by the TGA. This information is also readily available to the public via the TGA website.

IS IT BEST TO TAKE PROTANDIM[®] NAD SYNERGIZER[™] WITH OR WITHOUT FOOD?

Some of the active ingredients in Protandim[®] NAD Synergizer[™] are fat soluble, so taking Protandim[®] NAD Synergizer[™] with a meal containing some fat allows the ingredients to be absorbed more efficiently (but it's not absolutely necessary).

WHAT IS THE SHELF LIFE FOR PROTANDIM[®] NAD SYNERGIZER[™]?

The shelf life for Protandim[®] NAD Synergizer[™] is two years from the date of manufacture.

ARE THERE SITUATIONS WHERE PROTANDIM[®] NAD SYNERGIZER[™] IS NOT RECOMMENDED? WILL PROTANDIM[®] NAD SYNERGIZER[™] INTERFERE WITH MY OTHER MEDICATIONS?

As with any supplemental component to your diet, particularly if you have a medical condition, or are taking medication or other supplements, you should speak with your healthcare provider before taking Protandim[®] NAD Synergizer[™]. If you experience nausea, vomiting, diarrhea, or any other difficulties after taking Protandim[®] NAD Synergizer[™], discontinue use and immediately consult your healthcare provider.

SHOULD I CONTINUE TO TAKE MY OTHER VITAMINS AND ANTIOXIDANTS?

Some diets are lacking in certain nutritional elements, so multivitamin supplementation may be beneficial when used in conjunction with a balanced diet.

ARE THERE ANY SIDE EFFECTS TO TAKING PROTANDIM[®] NAD SYNERGIZER[™]?

We do not expect there to be any side effects for the typical Protandim[®] NAD Synergizer[™] consumer. However, some individuals may have natural allergic responses or sensitivities to one or more of the ingredients, just as some people are allergic to pollen or penicillin. If you are experiencing any adverse reaction, discontinue use of the product and call 1 (800) 218-751.

IS PROTANDIM[®] NAD SYNERGIZER[™] VEGETARIAN FRIENDLY?

Yes, Protandim[®] NAD Synergizer[™] is vegetarian.

CAN MY PET TAKE PROTANDIM[®] NAD SYNERGIZER[™] AS WELL?

No. We have not tested Protandim[®] NAD Synergizer[™] in pets and do not recommend giving it to your furry loved ones.

IS IT POSSIBLE TO TAKE TOO MUCH PROTANDIM[®] NAD SYNERGIZER[™]?

Please only use according to the directions on the label (two capsules per day).

WHAT KIND OF CAPSULES ARE USED FOR PROTANDIM[®] NAD SYNERGIZER[™]?

Vegetable-based capsules.
