SMART ENERGY

EN AXIO® LO RED RASPBERRY

AUST L 391753

product information sheet

Move
Your Body.
Move
Your Life.

When you need energy support without added caffeine, get your boost from AXIO LO. With AXIO LO, you get a delicious drink mix designed to support your nervous system and energy levels without the caffeine crash you get from other energy-supporting products.

Product Info

Move your body. Move your life. Get motivated with AXIO LO. You get energy support—without added caffeine. AXIO LO supports your nervous system—the control centre of your body. Your nerves communicate through neurotransmitters, sending messages from one nerve to another. Wake up, nourish your body, and get the right kind of energy, right when you need it.

Benefits

Supports energy levels and energy production

Maintains nervous system function and health

Maintains general mental well-being

Aids in the synthesis of neurotransmitters
