

DAILY WELLNESS

✦ FAQs ✦

WHAT IS LIFEVANTAGE® DAILY WELLNESS?

LifeVantage® Daily Wellness is a powdered drink mix that can be consumed daily to support immune health and general well-being

DO I REALLY NEED TO TAKE IT EVERY DAY?

For best results, we suggest you take Daily Wellness daily to achieve optimal results.

WILL IT REALLY MAKE A DIFFERENCE?

Based on information from human scientific studies, yes - those that take products with fermented yeast extract have noticed a difference.

COULD I TAKE IT TWICE A DAY?

Absolutely. Daily Wellness is safe to take twice a day.

WHAT IS SO “UNIQUE” ABOUT THE UNIQUE YEAST FERMENT?

It is considered a postbiotic...which is a byproduct of the fermentation process that the yeast goes through. Postbiotics are the beneficial compounds or substances left over after yeast (or bacteria) are fermented. The yeast ferment in Daily Wellness is a postbiotic ingredient made using yeast (*Saccharomyces cerevisiae*) that goes through a proprietary fermentation and drying process. This fermentation process makes a unique fingerprint of metabolites including proteins, polyphenols, vitamins, minerals, amino acids, polysaccharides, fiber, and other nutrients.

WHAT'S THE RECOMMENDED DOSAGE FOR DAILY WELLNESS?*

The recommended dosage is 1 scoop (provided in the jar) per day mixed with 12-16 oz of water.

HOW MANY SERVINGS ARE THERE IN THE DAILY WELLNESS PER JAR?

There are 30 servings per jar.

CAN I TAKE DAILY WELLNESS WITH OTHER SUPPLEMENTS?

Daily Wellness is part of a balanced approach, used in conjunction with LifeVantage ProBio, Omega+, Prebiotic, and Protandim® Nrf2 Synergizer® in order to support the overall health of your immune system. If you have any additional concerns, we recommend you consult with your physician.

CAN I TAKE DAILY WELLNESS IF I AM PREGNANT OR NURSING?

We suggest you consult with your physician if you have questions or concerns about your pregnancy before use.

WHO SHOULD TAKE DAILY WELLNESS?

We recommend Daily Wellness for adult use only. It's especially important to give extra support to our immune system and bodies as we age, when we know we'll be traveling, and when under everyday stress.

WHEN SHOULD I TAKE DAILY WELLNESS?

Daily Wellness can, and should, be taken every day as a proactive way to help support your immune system. Daily Wellness may have a particular advantage when we know we'll be traveling, under everyday stress, or working extra hard/long hours when we're around large groups of people or going to be in close proximity to large groups of people.

CAN I GIVE DAILY WELLNESS TO MY CHILD?

Dosage is intended for adult use only. Should you have any questions or concerns on behalf of your child, talk to your pediatrician before use.

WHAT'S A POSTBIOTIC?

Just like a prebiotic and probiotic, a postbiotic is an additional way to get the benefits of health-supporting microorganisms. Their beneficial substances are created during the fermentation process.
