

## body lotion

NRF2 INGREDIENTS

EN BODY LOTION / ES LOCIÓN CORPORAL

### *product information sheet*

## Get glowing

Wrap your body in silky softness all day long. This lightweight lotion quickly absorbs into your skin to deliver nourishing hydration from rich emollients, like mango seed butter and oat and chia seed oils, as it soothes and calms with aloe.

But that's not all. It also gives your skin daily defense against the elements. Your skin will be shielded from stressors with antioxidants, thanks to our patented Nrf2 ingredients, while pollution-fighting postbiotics provide important protection to help prevent the visible signs of aging.

### *Experience*

Sumptuously smooth skin plus science-backed protection against causes of visible aging. The signature TrueScience yuzu blossom fragrance leaves behind a luxurious scent that lifts your mood and calms your senses.

### Directions

For normal, oily, combination, dry, sensitive, irritated or flaky skin.

Smooth onto the body until fully absorbed. Can be applied as needed onto damp or dry skin.

### Benefits

Postbiotic formula supports the skin's microbiome for a healthy balance of good bacteria

Reduces the appearance of irritation for healthy-looking skin

Improves the appearance of radiance by supporting natural antioxidants

Supports the skin barrier against harmful environmental factors

Soothes stressed skin; hydrates and comforts skin

Deeply moisturize skin for silky softness
