Wrap Your Hands in Softness

Give your hands the restoring hydration they deserve with TrueScience Hand Cream enhanced with Nrf2 ingredients. This rich, silky formula contains natural oils, shea butter, and a unique vitamin complex to replenish vital moisture and help reduce visible signs of dryness or aging. And the revitalizing, fresh citrus-ginger scent invigorates the senses. It's the perfect blend of nourishment and luxury that leaves your hands feeling silky smooth and incredibly comfortable. Your hands never felt so good.

Directions

Apply desirable amount onto clean hands and rub in until fully absorbed.
Re-apply throughout the day as needed.

Benefits

Replenishes moisture for healthy looking hands.

Leaves a silky, non-greasy feel and lasting comfort from hydration.

Reduces irritating dryness from frequent handwashing or use of hand-sanitizer to leave hands conditioned and hydrated.

Helps reduce appearance of aging with Nrf2 ingredients.

Invigorates with a fresh citrus-ginger fragrance.
