Theacrine		

* less than 2% of daily value.

Directions

Take 2 capsules in the morning daily with food.

Warnings

Not for use by individuals under the age of 18 years. Do not take if pregnant or nursing.

Ingredients

Wasabi (*Wasabia japonica*) Rhizome Powder

One of the rarest and most valuable perennials in the world, wasabi rhizome powder is rich in isothiocyanates.

Cuprous Niacin

Special combination of cuprous and niacin, also known as vitamin B3, it contains a precursor for NAD synthesis.

Olive (*Olea europaea*) Leaf Extract

A staple of the Mediterranean diet, this contains concentrated nutrients from olive trees, including powerful antioxidant polyphenols.

Theacrine

Similar to caffeine, but without the crash in energy, theacrine has been used for thousands of years and stimulates dopamine production.
