HAND CREAM

EXCEPTIONAL BY NATURE.

TrueScience Hand Cream is the perfect blend of Nrf2 ingredients and natural moisturizers (plant based oils, shea butter and naturally derived PCA) that give your hands the hydration and protection they need without all the grease you don't. TrueScience Hand Cream is long lasting and quick-absorbing, so you can use your hands to do more than simply reach for more lotion.

Benefits

FIGHT

the signs of aging on your hands.

REINFORCE

your skin.

BOOST

your skin's water and lipid content.

INVIGORATE

with a fresh grapefruit-eucalyptus fragrance.

Directions

01

DISPENSE

the amount you want onto clean hands and give them a thorough rub until it's absorbed.

02

APPLY

throughout the day as needed.

Ingredients

Water (Aqua), Ethylhexyl Palmitate, Isopropyl Palmitate, Glycerin, Potato Starch Modified, Glyceryl Stearate Citrate, Helianthus Annuus (Sunflower Seed) Oil, Cetyl Alcohol, Diheptyl Succinate, Butyrospermum Parkii (Shea) Butter, Sodium PCA, Aloe Barbadensis Leaf Juice, Bacopa Monniera (Brahmi) Leaf Extract, Camellia Sinensis (Green Tea) Leaf Extract, Curcuma Longa (Turmeric) Root Extract, Silybum Marianum (Milk Thistle) Fruit Extract, Piper Nigrum (Black Pepper) Seed Extract, Tocopheryl Acetate, Panthenol, Cetearyl Oliviate, Sorbitan Oliviate, Capryloyl Glycerin/Sebacic Acid Copolymer, Lactic Acid, Parfum (Fragrance), Polyquaternium-10, Benzyl Alcohol, Potassium Sorbate, Sodium Benzoate.

WARNINGS: Avoid direct contact with eyes. If eye contact occurs, flush gently and thoroughly with water.
Discontinue use if rash or irritation occurs. If irritation persists, consult your health care practitioner.
