## Frequently Asked Questions

### What flavors of AXIO are available?

There are 2 delicious AXIO flavors available. AXIO Dragonfruit for energy without the jitters, and AXIO Lo Red Raspberry for a caffeine-free option.

### Can I take AXIO and Protandim® together?

Yes, the AXIO products are designed to support both mental and physical energy, promoting a positive mindset, while Protandim is designed to support the body's antioxidant defenses through the Nrf2 pathway.

### What time of day should I use AXIO products?

There isn't a specific time of day to use AXIO products. Use them as needed for energy support.

### What is the shelf life of AXIO products?

AXIO has a shelf life of 2 years from manufacturing date when stored in a cool, dark, and dry place as directed.

### Are the AXIO ingredients non-GMO?

Yes, the ingredients in AXIO are non-GMO.

### What sweeteners are used in AXIO products?

AXIO products contain only natural sweeteners. Our primary sweetener is stevia leaf extract.

### What colors are used in AXIO products?

AXIO products contain only natural colors.

### What is the difference between AXIO and AXIO LO?

AXIO uses the purest form of caffeine and a proprietary blend to offer a rapid source of energy. It can be used in the morning, before exercise, or for those days when you need a little extra to get yourself through the day.

AXIO LO has all the same amazing benefits of AXIO without the caffeine and a lower amount of the proprietary blend. If you want to support energy without any added caffeine, use AXIO LO whenever you need it to propel you through the rest of your day or stay sharp through a long night.
