

Launch Your LifeVantage Business

START EARNING RIGHT AWAY

Welcome to LifeVantage! Your Consultant journey begins now, and there are immediate ways to earn from day one with the Evolve Compensation Plan. Here's how to kickstart your business and maximise your earnings during your Launch Period.

Launch Period: Your Launch Period is the month you enrol as a Consultant plus the next 3 full calendar months.

You are considered an **Active Consultant** when your account is in **Good Standing** and you have met the **150 Sales Volume** Requirement in that month, with at least **40 Personal Sales Volume**.

Customer Sales Profit

When your Customers order LifeVantage products, you earn the difference between the price you pay and the price they pay. This means you can start earning immediately with every sale!
