

body butter

CBD-ENHANCED NRF2 INGREDIENTS

EN BODY BUTTER / ES CREMA CORPORAL

product information sheet

Melt into radiant skin

Say goodbye to dry, dehydrated skin forever. This luxurious body butter is loaded with rich, deep-penetrating emollients that provide immediate and lasting relief for very dry or distressed skin.

Mango seed butter and mistletoe, plus nourishing oils from oat, olive, chia, cloudberry, and amaranth seed will leave your skin looking and feeling healthy and soft. Ginseng helps revive your skin for a smoother and more youthful look. Our broad-spectrum CBD-enhanced Nrf2 ingredients give you all-day protection from the visible effects of free radical damage.

Experience

Replenish and soothe dry, distressed-looking skin with luxuriously fragranced moisture that also revives and protects your skin for a more vibrant appearance. The alluring scent of yuzu blossom, lemon balm, and plai oil infuses your skin with a delicate, refreshing fragrance.

Directions

For normal, oily, combination, dry, sensitive, irritated, or flaky skin.
Smooth onto the body until fully absorbed. Can be applied as needed onto damp or dry skin.

Benefits

Reduces uneven skin tone

Supports the natural skin barrier

CBD-enhanced Nrf2 ingredients combat oxidative stress and free radicals

Deeply moisturize skin for silky softness
